

# **A PERSONAL LETTER TO MY FELLOW NEW YORKERS**

**My Dear Fellow New Yorkers,**

**If you are happy with the way things are going in New York City and satisfied with the quality of life the city affords, then vote for the incumbent who represents the status-quo.**

**But if you are dissatisfied, like over two million New York City voters are, with the way things are going in New York City and believe that the quality of life in this city is getting worse, then vote for me, Phillip W. Weiss, for Mayor of New York City.**

**I have a practical plan of action that will make New York City a wonderful place in which to live for everyone, not just for the economically advantaged. The quality of life in this city should not be dependent on income. No New Yorker should feel that life in this city is a struggle. No New Yorker should feel that he or she is marginal. No New Yorker should feel that nobody cares.**

**New York City has serious problems. Lack of affordable housing, eroding infrastructure, failing public schools, public safety issues, stagnant wages, high taxes, filthy streets. The list goes on and on. These are not new problems. They just don't get fixed. It is about time that this city had leadership committed to**

## **GETTING THINGS DONE.**

**If elected Mayor, I hereby solemnly pledge that I will dedicate all the energy I can muster to improve the quality of life in New York City and make this city a great place to live for every New Yorker. To do this I need your vote. Therefore,**

**On Tuesday, November 7, 2017, vote for**

**Phillip W. Weiss**

**for Mayor of New York City**

**Together we can make great things happen.**

**To vote for me, write my name on the ballot.**

**Sincerely,**

**Phillip W. Weiss**
