

More Words of Wisdom

By Phillip W. Weiss

When attending school, do your homework.

When attending school, carefully listen to the teacher.

Always pay your bills on time.

No man can resist the charms of a beautiful woman.

If given the choice, most people will choose cake over a salad.

Women intuitively play on the weaknesses of men.

The strong man can be reduced to a pile of quivering jelly by the smile of a beautiful woman.

When a man spends money on a woman, he's lost control.

Never ask a professor out on a date.

Anyone who thinks they know it all knows nothing.

Anyone who thinks they know nothing is on the road to salvation.

The atheist is merely a disgruntled believer.

Everyone has a right to disbelieve.

Happiness is often a product of hormonal changes.

Too much credit is given to reason.

A baby's cry is the most compelling form of human communication.

A woman holding an infant is sublime.

When dealing with a cranky child, recall the moment of conception.

A whining child is a needy child.

Telling a child "no" is one of the hardest things to do.

Love is spontaneous and cannot be controlled.

Physical love is a form of love.

When a man wants a woman, be prepared to play the fool.

When a woman wants a man, he better hold on tight.

An hysterical woman can be awfully attractive.

When a woman screams at a man, try to keep calm.

A sad woman is a lonely woman.

An abusive man is a pathetic creature.

Women can be such show offs.

Men who seem indifferent to women are putting on an act.

A woman's gentle touch says more than a million words.

Wow, can people be rowdy.

Rowdiness is a form of communication.

Go to a party; get drunk; leave the party; no more spunk.

What can be sweeter than sharing a bed with a lover?

There are four basic sexual positions; anything else is just for show.

Never tell anyone whom to love.

Money does not buy love.

When a man falls in love with a whore, she is no longer a whore.

When attending school, try to learn something.

A term paper can be a work of art.

A college degree is priceless.

Education is an ongoing process.

Don't be intimidated by algebra.

You can do it!

A plain-looking woman is like a dormant volcano waiting to erupt.

If a woman wants an abortion, keep silent.

Do not buy a woman jewelry unless you really love her.

A huge diamond contains no warmth.

Ignore your woman at your own peril.

No matter how grimy the work, she is still a woman.

Never mistake a bossy woman for a man.

A business-like woman can be very sexy.

If you want to lose weight, stop eating.

If you want to get drunk, drink.

If you want to make love, too bad!

Sex is often overrated.

To have good sex, you must crave it.

Going through the motions in bed is pathetic.

Better to caress a book than an unloving partner.

If you are cheating on your spouse, you are skirting the precipice.

Home is where you sleep at night.

Being a sports fan is the ultimate waste of time.

Talking sports is a lot easier than playing sports.

TV-watching is addictive.

All the gizmos and gadgets that we use are but mere toys.

Any nation that has a net worth of fifty trillion dollars need not be too concerned about going broke.

All economic activity is directly or indirectly tied into the government.

A purely free market economy is a fantasy, a fiction.

Never put it past a debtor to default on a debt.

Before co-signing on a loan, think really hard.

Mockery is an expression of envy.

People, places – it's all the same wherever you go.

When you've been in one big city, you've been in them all.

What is a tourist attraction for one is a home for another.

To really learn about a country, stop being a tourist.

You'll learn more about a country by sitting in a park than by visiting a dozen museums.

Happiness is a refreshing glass of cold water on a warm day.

Mixed drinks consumed in moderation can lift one's spirits.

A person who insists that they don't drink is like a person who says they never watch television.

No one is divorced from politics.

Politics is the vying of competing interest groups for control.

Never treat an animal as an object.

People who blow smoke tend to cough.

Rooting for a sports team is a prodigious waste of energy.

People need entertainment.

That smelly, filthy derelict was once a baby.

Age is more than just a number, yet that number is important.

Share an idea; lose an idea.

Confidence is the cornerstone of success.

A good memory is a double-edged sword.

Never try to figure out motive.

You rebel at your own risk.

No one is bigger than the system.

Even the mighty are knocked off their thrones.

Being clueless is a form of denial.

Never mistake denial for stupidity.

Denial is the strongest and most ingrained of defenses.

People who laugh a lot tend to be the angriest.

When a woman says stop, it's probably time to leave.

A good movie keeps your attention.

A bad movie makes you feel restless.

A great movie inspires admiration.

Envy is the seed for discord.

Loneliness is worst when among a crowd.

A good night's sleep may not necessarily be refreshing.

Keep productively occupied and time will fly.

Deadlines are tests of character.

A good woman is hard to recognize.

Women are conditioned to show off their bodies.

Men are conditioned to treat women like objects.

What is life really all about?

If you join the military, be prepared to forfeit your privacy.

There are two professions that demand unconditional love: soldiering and acting.

Acting is more than just memorizing words.

Cigarette smoking is a filthy habit.

Habits are hard to break; bad habits even harder.

A habit meets a need.

Any government that rules by force loses its legitimacy.

Stormy weather can cause a mess.

No two lives are exactly the same.

Eventually all will be lost.

Is life merely a treadmill?

Never confuse the illusion of progress with actual progress.

Never confuse appearance with substance.

Being liked is not the same as being respected.

People are capable of surprises.

Save your happy birthdays for little children.

For a child, the whole world is a toy.

Everyone is born pure.

The sense of right and wrong is innate to humans.

Sometimes we don't know when things are good.

Be sincere.

That first kiss is always the sweetest.

Those who preach tolerance are often the most intolerant.

Know-it-alls believe that they know it all.

A know-it-all will never concede defeat.

Never try to reason with a know-it-all.

A good salesperson knows when to stop talking.

People are so amazing.

Always be cognizant of your surroundings.

A child dies at birth; the next person lives to be a hundred.

Even during the Black Plague people made love.

Today you are a peasant; tomorrow a prince.

Sometimes you don't know that you are in love.

No mother is a stranger to her child.

Planting the seed is fun; bearing the fruit requires work.

The first time a woman meets a man is the moment of truth.

Lust is also a form of love.

Nicotine, caffeine and sugar: the three most abused drugs in the world.

Animals are innocent, hence we love them.

Who can resist the imploring eyes of a dog?

When a dog is happy their tails always wag.

You can never do too much for a child.

The only thing more difficult than following instructions is giving directions.

Directions should be simple and clearly stated.

Learning is by doing.

All learning is by trial-and-error.

A gorilla is incredibly strong, yet cannot use a pencil.

Even the most vicious predator will sniff before striking.

Never go to war unless you mean to win it.

There are always other options available besides war.

Every war produces unintended results.

If war is so bad, then how come there are so many of them?

Some people like war.

War produces villains and heroes.

A war can't be won without infantry.

Bombing the enemy is not the same as invading the enemy.

Every country needs at least one reliable ally.

Atomic energy is like a hot potato – it produces a lot of heat but is hard to handle.

Once escaped, radiation can never be recaptured.

If a French woman had an affair with a German, she was called a whore; if a German woman had an affair with a Russian, she was called a victim.

Any man who seriously believes that he can buy the affections of a woman is an unmitigated fool.

If alcohol is so bad for us, then why do people go to bars?

If fatty foods are so bad for us, then why do we eat so much of it?

If illicit sex is so bad for us, then why is there pornography?

Eventually we all have to grow up.

Nostalgia has a way of clouding our memory.

What we call the good old days may not have been so good.

In sports, players will do just about anything to gain that extra advantage.

There is something about a baseball that makes it so appealing.

Losing is not the same as being a loser.

Winning generates high expectations.

It's not easy to win.

Perseverance can get you only so far.

At some point, your luck has to change.

Luck is fickle.

A good role model smiles a lot and says little.

The game goes on but the rules keep changing.

Baseball of today bears only a general resemblance to baseball from years past.

Being a better athlete does not necessarily mean you're a better player.

There was a time when a home run was really something special.

A lady who teases a man is not a lady.

When it comes to sex, men are like children; sometimes they need a sensitive lady to teach them the ropes.

The first kiss says it all.

Some events really change the world.

You can make a difference.

True happiness is sublime.
